

POGO 13 DRAFT AGENDA

Sunday 8 January

Side Meetings of the News and Information Group and the Executive Committee

*Venue:
Room POST 801
School of Ocean and Earth Science and Technology
University of Hawaii at Manoa*

08:30: Transport by taxi from New Otani Hotel to campus

09:00 – 12:00: Meeting of POGO News & Information Group

12:00: Transport by taxi back to New Otani Hotel

13:30 Transport by taxi from New Otani Hotel to campus

14:00 – 16:00: Meeting of POGO Executive Committee

16:00: Transport by taxi back to hotel

Executive Committee Dinner (19:00)

Venue: New Otani Kaimana Beach Hotel (private function room next to Hau Tree Lanai restaurant)

Plenary Meeting

Venue: Asia Room, East-West Centre, SOEST, University of Hawaii at Manoa

Monday 9 January

08:00 Limousine bus from New Otani Hotel to East-West Centre

08:30 – 9:00 Inauguration (Chair **Peter Herzig**)

Welcome & logistics: **Brian Taylor**

Self-introduction of participants

Approval of Minutes of the 12th Meeting of POGO: **Peter Herzig**

Adoption of Agenda: **Peter Herzig**

Introduction of budget: **Peter Herzig**

9:00 – 10:00 Reports on Action Items from POGO-12 (Chair **Peter Herzig**)

Overview: **Shubha Sathyendranath**

Reports from Member Directors on specific Action Items

Presentation of draft POGO Strategy Document: **Trevor Platt**

10:00 – 10:30 Coffee break

10:30 – 12:30 **Reports on POGO Activities: Capacity Building** (Chair **Tony Haymet**)

Report on POGO-SCOR Fellowships: **Shubha Sathyendranath**

Report on POGO Visiting Professorships in Namibia: **Lisa Levin**

Report on NF-POGO Centre of Excellence: **Gerry Plumley**

Update on NF-POGO Alumni Network for Oceans (NANO): **Sophie Seeyave**

POGO-SCOR-IOC present and future collaborations in capacity building: **Ed Urban**

Discussion of POGO Capacity Building and potential collaborations

12:30 – 13:30 Lunch (*Garden Level Room, East-West Centre*)

13:30 - 14:45 **Reports on POGO Activities: International Science Coordination and Outreach** (Chair **Peter Claridge**)

POGO participation in Expo 2012 Yeosu Korea: **Sophie Seeyave**

Progress update on the draft Yeosu Declaration: **Dosoo Jang**

POGO support of OceanSITES: **Bob Weller, Uwe Send, Tony Knap and Jae Hak Lee**

“Blue Planet”, new Oceans Task in 2012-2015 GEO Workplan: **Trevor Platt**

14:45 – 15:00 Coffee break

15:00 – 16:00 **Discussion of past and future POGO activities and POGO Strategy/Vision** (Chair **Karen Wiltshire**)

Introductory presentation on management of long-term Earth-Ocean data and the joining up of international long-term observation programmes: **Alexandra Kraberg**

16:00 Limousine bus to hotel

18:00 – 20:00 Catered reception at Waikiki Aquarium

Tuesday 10 January

08:00 Limousine bus from New Otani Hotel to East-West Centre

08:30 – 10:00 **International Programmes and Activities Supported by POGO**
(Chair **Bruce Mapstone**)

Essential Ocean Variables for the Framework for Ocean Observing: **John Gunn**
Presentation of new POGO member (Institute for Marine and Antarctic Studies) and Southern
Ocean Observing System (SOOS): **Mike Coffin**
Global Alliance of CPR Surveys (GACS): **Sonia Batten**
Panel for Integrated Coastal Observations (PICO): **Tony Knap**

Discussion of POGO input to FOO, PICO and SOOS

10:00 – 10:30 Coffee break

10:30 – 12:15 **International Programmes and Activities Supported by POGO (cont'd)**
(Chair **John Field**)

Some reflections on the Census of Marine Life: **Jesse Ausubel**
Update on the International Quiet Ocean Experiment (IQOE): **Ian Boyd**
GEO Biodiversity Observation Network (GEOBON): **Trevor Platt**
Indonesian Through Flow (ITF) GATEWAY Programme: **Dongchull Jeon**

Discussion of POGO support of IQOE, GEOBON and GATEWAY

12:15 – 12:30 Election of next Chairman (Chair **Tony Haymet**)

12:30 – 13:30 Lunch (*Garden Level Room*)

13:30 – 14:45 **Emerging Initiatives in Ocean and Earth Observations** (Chair **Ed Hill**)

The Mohole Project 50 Years After - scoping and feasibility of reaching the mantle frontier:
Kiyoshi Suyehiro
Potential use of submarine telecommunication cables to monitor the oceans: **Rhett Butler**
The SeaOrbiter project: **Jacques Rougerie and Ariel Fuchs**

Discussion of POGO engagement with emerging initiatives

14:45 – 15:00 Coffee break

15:00 – 16:00 **Ocean Observations for Disaster Mitigation and Response**
(Chair **Kiyoshi Suyehiro**)

Preliminary results of JAMSTEC mission for the Great 2011 Tohoku Earthquake:
Yoshihisa Shirayama
Indian Ocean tsunami warning system: **Satish Shenoi**

Discussion of ocean observations in relation to disasters, and links between marine science and society

16:00 Limousine bus to hotel

Wednesday 11 January

08:00 Limousine bus from New Otani Hotel to East-West Centre

8:30 – 10:00 **Other Programmes with Common Interests with POGO**
(Chair **Dosoo Jang**)

GEO Ocean Observing Community of Practice: **Trevor Platt**

POGO-IOC collaboration and implications of the withdrawal of US funding to UNESCO:
Wendy Watson-Wright

IODE -past and future interactions with POGO: **Peter Pissierssens**

Possible coordination of Antarctic research cruises with IMR Norway: **Einar Svendsen**

Discussion of POGO engagement with other programmes

10:00 – 10:30 Coffee break

10:30 – 12:15 **Successful Development of Ocean Observing Capabilities in Emerging Countries** (Chair **Tony Knap**)

Brazilian activities and observations in the South Atlantic: **Edmo Campos**

South African activities: **John Field**

Chilean progress in rebuilding its facilities since the 2010 earthquake and tsunami: **Carina Lange**

The FIO's initiatives in Indian Ocean climate observations: **Ma Deyi and Yu Weidong**

Development of ocean observations by IOCAS: **Sun Song**

Discussion of lessons transferable across developing countries

12:15 - 13:15 Lunch (*Garden Level Room*)

13:15 - 14:15 **POGO Business** (Chair **Peter Herzig**)

Discussion of POGO budget **Peter Herzig**

Adoption of Action Items: **Peter Herzig**

Venue and dates for POGO-14: **John Field**

Final comments and closure: **Peter Herzig**

14:15 - 14:30 Coffee break

14:30 -16:00 **SOEST Science Presentations** (Chair **Brian Taylor**)

Hawaii Ocean Time series, Aloha Cabled Observatory and WHOTS: **Dave Karl, Roger Lukas, Matt Church, Bruce Howe**

Modeling and tracking ocean trash (marine and tsunami debris): **Nikolai Maximenko**

16:00 Limousine bus to hotel
