

## Agenda: POGO–8 Meeting, 17 – 19 Jan, 2006

Venue: IOCAS

17 Jan, Wednesday, Morning

Inauguration: Chair: Prof. Sun Song

08:30 – 09:10	<b>Welcome: Prof. Jianghai Xiang</b> City Governor Mr. Yan Qijun Director of the Bureau of Resources & Environment Dr. Fu Baijie Deputy Director, Bureau of International Cooperation of Chinese Academy of Sciences, Mr. Ge Mingyi Vice Chairman of the Division of Science and Technology, Shandong Province, Dr. Li Naisheng
09:10 – 09:20	Introductory Remarks; introduce new members: Jan de Leeuw Approval of Minutes of the Seventh Meeting of POGO: Jan de Leeuw Adoption of Agenda: Jan de Leeuw Self Introduction of Participants: all Logistics: Ma Junying
	<b>GEO and the Oceans: Setting the Goals of the Meeting: Chair Howard Roe</b>
09:20 – 10:05	Key-Note Address: Oceans and GEOSS: José Achache
10:05 – 10:20	Introductory remarks on GEO and the oceans: David Farmer (Dean, URI)
10:20 – 10:35	Early thoughts on message to GEO from the Ocean community: Jan de Leeuw
10:35 – 11:00	Break
	<b>Climate Change and Long-Term Ocean Observations: Chair Fangli Qiao</b>
11:00 – 11:30	Rapid Climate Change – fact or fiction? Ed Hill (Director NOCS)
11:30 – 12:00	Living on 30% of the planet: How can we understand the role of the global ocean and best manage its impacts? Bob Weller (Chair, Phys. Oceanogr., WHOI)
12:00 – 12:30	Rising Sea Levels-What do we know and what more must we do? Andrew Willmott (Director, POL)
12:30 – 13:00	Why do we need an in situ observing system? Yves Desaubies (Representing IFREMER)
13:00 – 14:00	Lunch
17 Jan, Wed. Afternoon	<b>Climate Change, Ecosystems and Bio-diversity: Chair Kiyoshi Suehiro</b>
14:00 – 14:30	Are the North Atlantic plankton responding to climate change? Philip (Chris) Reid (Former Director, SAHFOS, Executive Director, POGO)
14:30 – 15:00	Does ocean life care about increasing carbon dioxide in the atmosphere? Nick

	Owens (Director, PML)
15:00 – 15:30	For what problems can we move now from experimental to routine observation of marine life? Jesse Ausubel, Sloan Foundation
15:30 – 16:00	Break
	<b>Emerging Issues and Observing Strategies: Chair Tony Knap</b>
16:00 – 16:20	Why observe the Southern Ocean? Lisa Shaffer (Scripps Inst.)
16:20 – 17:00	What can we learn from a bottom-up approach? Bruce Howe/Uwe Send
17:00 – 17:30	Are ocean observations relevant to business? Tony Knap (Director, BIOS)
17:30 – 18:30	Public Lecture 1: Development of Marine Core Services in Europe: from Global to Regional Ocean Monitoring: Yves Desaubies
18:30	Depart for First Banquet, hosted by IOCAS (speeches Jan de Leeuw, Sun Song)
<b>18 Jan, Thursday, Morning</b>	<b>Disasters and Food from the Sea: Chair Peter Herzig</b>
08:30 – 09:00	Tsunami warning: Kiyoshi Suyehiro (Executive Director, JAMSTEC)
09:00 – 09:30	Fisheries and Ocean Observations: Shailesh Nayak (Director, INCOIS)
	<b>Cross-Cutting Issues</b>
09:30 – 10:00	How to Improve Data Management and Distribution: Lesley Rickards, Chair IODE, Deputy Director, BODC
10:00 – 10:30	Ocean Observations, Present Status and Strategy for the Future: Mike Johnson, Director, NOAA Office of Climate Observations
10:30 – 11:00	Break
	<b>Ocean United: Chair Prof. Sun Song</b>
11:00 – 11:30	WCRP: John Church
11:30 – 12:00	GCOS: Ed Harrison
12:00 – 12:30	GOOS including Coastal GOOS: Keith Alverson
12:30 – 13:00	JCOMM, Satellite observing elements (SST, Ocean Colour, Altimeter): Jean-Louis Fellous
13:00 – 14:00	Group Photo followed by Lunch
<b>18 Jan, Thursday, Afternoon:</b>	
14:00 – 15:30	<b>Discussion of Message to GEO and Related Actions: Chair Tony Haymet</b>
	Collecting the strands: What can we do internationally that we cannot do nationally? Jim Luyten (Director, WHOI)

	What is the message from the ocean community to GEO?
	What are the actions required?
	What follow-up can be envisaged to the Ocean Ambassador Project?
15:30 – 16:00	Break
16:00 – 17:00	<b>Synthesis of Message to GEO: Chair Howard Roe</b>
17:00 – 18:00	Second Public Lecture: Variability and Change in the Southern Ocean: Mike Meredith (BAS, UK)
18:00	Leave for tour of FIO, followed by Second banquet hosted by FIO
<b>19 Jan, Friday morning</b>	
	<b>Follow-up of Actions from Previous Meetings – Chair Jim Luyten</b>
08:30 – 09:15	POGO News and Information Group: Cindy Clark
09:15 – 09:30	Cruise Information Sharing; data from Research Vessels: Shubha Sathyendranath
09:30 – 10:00	Draft Message to GEO: Howard Roe
10:00 – 10:15	Initial Presentation of POGO Budget: Tony Haymet
10:15 – 10:30	Ocean Observations: Robert Nigmatulin
10:30 – 11:00	Break
	<b>Capacity Building / Southern Hemisphere – Chair Hu Dunxin</b>
11:00 – 11:15	Vietnam Training Programme sponsored by POGO
	POGO-SCOR Fellowship Programme: Shubha Sathyendranath
11:15 – 11:30	Nippon Foundation – POGO Visiting Professorship Programme: Transition to Phase 2: Shubha Sathyendranath
11:30 – 11:50	POGO Capacity Building: A view from the South: Wolfgang Schneider, Director, Graduate Studies, University of Concepción
11:50 – 12:00	Capacity building efforts at IOCAS: J-H. Xiang
12:00 – 13:00	IOCAS Visit
13:00 14:00	Lunch
<b>19 January, Friday, Afternoon</b>	
	<b>POGO Business – Chair Shailesh Nayak</b>
14:00 – 15:00	Review of actions from POGO-7; Initial Presentation of Motions: Tony Haymet Resolution – accepted / rejected / further discussion required

15:00 – 15:15	Election of Incoming Chair: Howard Roe
15:15 – 15:30	POGO Business, changes in the Secretariat: Jan de Leeuw & Tony Haymet
15:30 – 16:00	Break
16:00 – 16:30	Revised Budget: Tony Haymet
16:30 – 16:40	Dates of POGO-9 (provisionally January 2008)
16:40 – 16:50	Next Meeting: Tony Knap
16:50 – 17:00	Adoption of Actions, Closing
17:00 – 18:00	Public Lecture 3: Marine Biodiversity, Management and Ocean Observations James Baker
18.00	Farewell Banquet, hosted by IOCAS
